LIFE MEMBERSHIP

- a. In alignment with ASET bylaws, a member who meets the following requirements and applies to the ASET Registrar for registration may request to be registered as a Life member:
 - i. Has been a regulated member or Retired member of a national organization of technicians and technologists for a minimum of thirty (30) years, of which at least the last five (5) have been with ASET; and
 - ii. Has retired from the practice of applied science, information and/or engineering technologies.
- b. Individuals who hold Life membership with ASET are eligible for any retirement benefits programs offered by the Association.
- c. Once granted Life membership with ASET, the retired member may continue to use their designation with (Life) in brackets following their designation (e.g., C.E.T. (Life)).
 - i. Members applying for Life membership must be in good standing, including compliance with any outstanding regulatory requirements.

LIFE MEMBERSHIP DECLARATION

"I certify that I am retired from the practice of engineering or applied science technology and wish to apply for Life membership. Should I return to the active practice of the profession at any time, I am required to inform ASET and meet the requirements for reinstatement. I understand that I will be subject to annual CPD requirements upon return to active practice."
